

PIPE FISHING CLUB

Fall 2021 Newsletter

Hello everyone,

It's time for the Pipe Fishing Club Fall Newsletter. The 2021 ice season was an exciting and fun filled season, we started with inconsistent ice thicknesses causing us to put our tree line out the Wednesday before the sturgeon spearing season, we had a double crack that was maintained by the help of many members and some folks that were just willing to help. Thank you to all those that helped.

The most exciting thing that is going on in the club at this time is that the Winnebago Walleye Series (WWS) approached the Pipe Fishing Club with the opportunity to take over all assets and responsibilities of the WWS. This opportunity allows the Pipe Fishing Club to become a more balanced club having both winter and summer activities. We are well on the way to making this happen as we are working with our attorney and have sent in the paperwork to the State of Wisconsin and are currently in the process of reviewing and updating the by-laws for the Pipe Fishing Club.

This fall the Pipe Fishing Club is looking for volunteers to help support the students of Divine Savior Catholic School in Kiel with their apple pie fundraising event by having members of the Pipe Fishing Club volunteer peeling, cutting, inspecting and assembling apple pies on the 1st or 2nd of October if any interested member or non-member wants to sign up to help, you may do so by calling the Pipe Fishing Club phone (920) 273-5994. All hours worked goes towards assisting with student's tuition. All help is appreciated.

New this year, we are offering windshield clings as an option to the road pass button, this will allow us to mail windshield stickers to those lifetime members that wish to use this type of pass. All lifetime members can pick up their button at the October 30th brat fry held at the PFC building site or at the annual meeting on November 4th by showing their lifetime membership card. If you are unable to attend either one of these functions, you may call the PFC phone to make arrangements or stop at Mikey G's with your membership card to receive your road pass button. Fishermen that wish to purchase the yearly \$20.00 road pass please fill out the form and bring it to one of the events listed above or bring it to the landing along with your road pass fee or stop at one of the local businesses to receive a button. Road passes will be available starting 12/10/21 at Pipe Express, Jim and Linda's, Capones, Mikey Gs, Paula's Pub and Grill and Tommy J's .

Upcoming Events

- 1.) 10/01/21 & 10/02/21 Assisting with the Divine Savior apple pie making benefiting the students.
- 2.) 10/15/21 don't forget to purchase your sturgeon spearing license before the end of October
- 3.) 10/30/21 Brat fry 11:00 to 3:00 at the Pipe Fishing Club lot, treats for kids and adults
- 4.) 11/4/21 Public meeting at the Malone Museum 7:00pm featuring Mike Arrowwood, president of Walleyes for Tomorrow
- 5.) 01/13/22 Annual Banquet. Any tickets available for purchase will be available 12/7/21

Thank you everyone for volunteering and their continued support in making this club grow and become part of this great community.

Sincerely,

The Board of Directors of the Pipe Fishing Club
